

The image shows the front cover of a book. The cover is a vibrant red with a pebbled, leather-like texture. A large, black, stylized paw print is centered on the cover. The paw print has five toes, each represented by a teardrop-shaped black area. The largest toe, at the bottom, contains the text 'Davidson College' in a black, sans-serif font. The text is oriented vertically, following the curve of the toe. The 'D' is at the top, and 'College' is at the bottom. The overall design is simple and iconic.

Quips and Cranks
2012-2013

"...Haste thee, Nymph, and bring with thee
Jest and youthful Jollity,
Quips, and Cranks, and wanton Wiles,
Nods, and Becks, and wreathed Smiles..."

The Davidson College yearbook staff would like to dedicate the 2012-2013 Quips and Cranks to
Clark Ross.

Stepping down from his position as Vice President for Academic Affairs and Dean of Faculty after 15 years, Clark Ross has been an influential and supportive figure at Davidson through his various roles. Ross plans to rejoin the Economics Department faculty after a year-long sabbatical, as he reaches his 34th year as a part of the Davidson College family. We thank him for his years of service to the school thus far!

The Duke Endowment

This year, Davidson College received a generous gift of \$45 million from the Duke Endowment. The Duke Endowment is a private foundation based in Charlotte, originally founded by James B. Duke, that provides annual financial support to several higher education institutions in the area. Davidson College has now received over \$167 million from this foundation. This gift allows Davidson to begin a massive 10-year renovation plan for academic buildings and our concept of a liberal arts education. The renovations will restructure the academic portion of the campus to foster interdisciplinary learning, allowing for more original student research and collaboration. We are grateful for this gift from the Duke Endowment and are thrilled to begin these campus-wide improvements!

Look at our Kathryn, a college graduate, and now heading off to medical school. It has been quite a journey. You've had some amazing experiences and forged wonderful friendships that will truly stand the test of time. So, as you begin your next chapter, go with confidence and pride. Know, too, that you have what it takes to succeed. You have our love and support always! Mom, Dad, Jon, and Becca.

Kelsi Gabrielle Hobbs

Kelsi: It seems like yesterday that you waved to us in the pool. How you have grown into an amazing young woman. Remember who said, "I am going to make a difference." Now, it is your time to make your mark. Do not choose the beaten path, blaze your own, and leave a trail for others to follow. Anyone can change the world for the better. We love you.

Congratulations Justin!

This is one of many stellar accomplishments you will have in life and will make possible for others to have.

"My hope for you at the beginning of this new moment in your life is that you will take care of that part of you where your best dreams come from, that invisible part of you that allows you to look on yourself and your neighbor with delight."
